**Re: New Sales Representative Announcement – Jeff House**

We are excited to announce that Jeff House has joined our team as a sales representative and product trainer in the South-Western Ontario region from Niagara to Windsor. As a seasoned sales expert and technical trainer, Jeff brings a wealth of knowledge, experience and enthusiasm to our sales team.

Currently, Jeff contributes a monthly column for Mechanical Business magazine entitled "Find the Fix." He also sits on the CIPH Canadian Hydronics Council technical education committee. His dedication to training, product knowledge and the hydronic community will serve our customers well by helping to grow your hydronic business. He can be reached at:
